Growth plan towards success What can you expect from Cierpa?

Certification ASSOCIATE

You receive the Cierpa Certified Consultant Associate certificate:

You have all the theoretical knowledge (for both use and implementation) to start using a Cierpa Software Module at your client's site. *)

Certification PRACTITIONER

You receive the Cierpa Certified Consultant Practitioner certificate:

You have both the theoretical and practical knowledge of a Cierpa software module to start using the Cierpa Software Module at your client's site. *)

Certification EXPERT

You receive the Cierpa Certified Consultant Expert certificate:

You have both profound theoretical and practical knowledge of the Cierpa Software Module and you are demonstrably successful using the Cierpa Software module. *)

You receive a consulting fee for each Cierpa Software Module you implement at your client's site (cf. cooperation agreement).

Free Cierpa support for your first three clients.

Free access to the Cierpa Certified Consultant Competence Module.

Free license for personal use of the Software Module.

Cierpa publishes your certificate on its LinkedIn profile, website, newsletters, blogs, etc.

*) You are of course free to work with other suppliers of improvement software (cf. cooperation agreement). We are sure you will be convinced quickly of the absolute added value of Cierpa Software for your improvement process.

Growth plan towards success: What do we ask of you?

Certification ASSOCIATE

- You work as an improvement consultant and have done an oral fit assessment at Cierpa.
- You invest in a Cierpa Software Module training and successfully complete a knowledge test.
- You sign a Cierpa cooperation agreement in which agreements like Consultants Fees have been laid down.

Certification PRACTITIONER

- You are a Cierpa Certified Consultant Associate.
- You have successfully guided the implementation of at least two Cierpa Software Modules.
- You have transferred your knowledge of the Cierpa Software Module to users (user training) and/or in-house trainers (train-the-trainer sessions).
- You have taken part in a written practice assessment which has been approved by Cierpa.

Certification EXPERT

- You are a Cierpa Certified Consultant Practitioner.
- You have successfully guided the implementation of at least three Cierpa Software Modules.
- You have realized a demonstrable and significant impact for the client (like significant cost savings or embedding "continuous improvement thinking" in the entire organization).
- You have taken part in a written practice assessment which has been approved by Cierpa.

You are willing and able to actively promote the Cierpa Software benefits to your clients.

You are willing to publish the certificate on your LinkedIn profile and website.
